ABOUT ICAMMHA

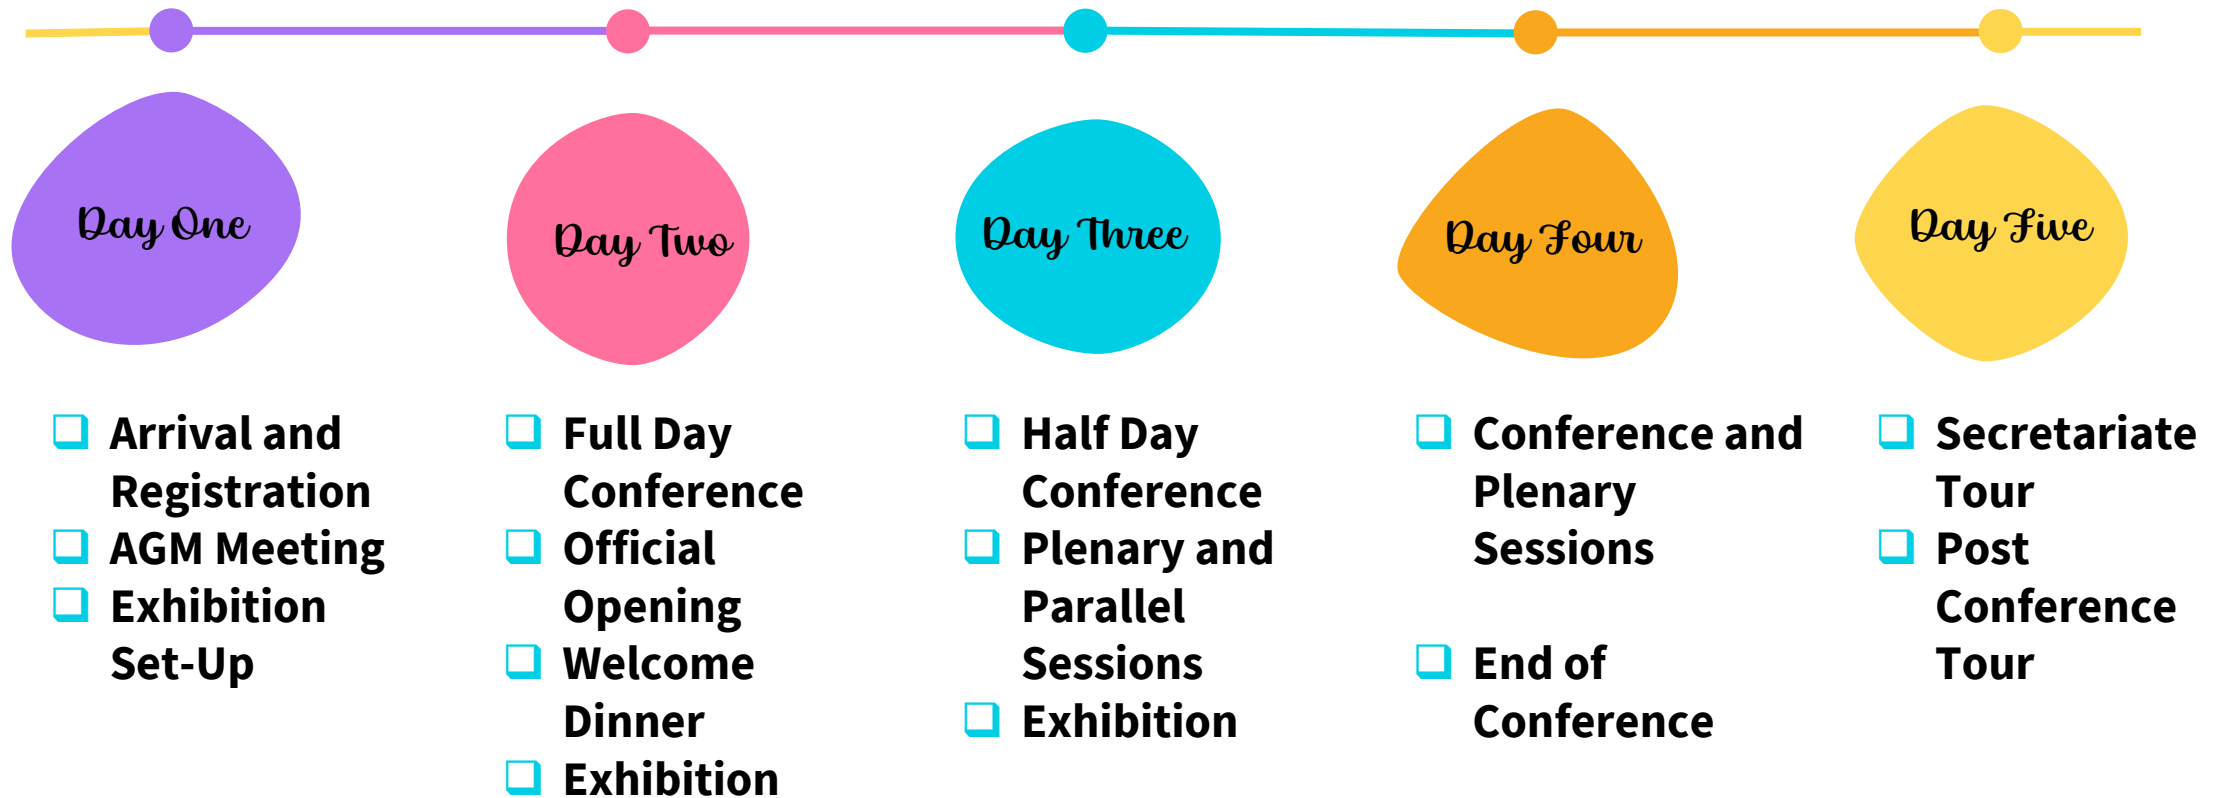

International Conference on Maternal Mental Health Africa (ICAMMHA) is a catalyst for change in Maternal Mental Health, which seeks to bring together experts, stakeholders, and advocates to drive innovation and foster collaboration.

Our mission is to improve the well-being of mothers and families across Africa through cutting-edge research and strategic initiatives.

The conference features world-class plenary speeches, distinguished Symposium talks, exhibits, oral and poster sessions, debates, and panels.

Program

Partnering with ICAMMHA an organization can make a positive impact on the lives of mothers and babies while also benefiting their business and reputation.

A Partner can enjoy a wide range of benefits from a carefully selected package, which include:
